were with General STEELE. We heard ought to be hung, in expiation of them. Springs, General Gawo had a personal justice, and resist the temptation to exencounter with a Delaware or Kickapoo, ercise any dangerous elemency." and would have been killed by him, but That our readers may know what is for the assistance of one or two of his understood to be Christian charity, in the

General Torres, prohibiting scalping, of his remarks. Cruelty and fanatical is that we were informed by a Federal hate never before so impudently preofficer that he did issue such an order, tended to be charity in disguise. No and as this was stated in reply to a re- dissertation on charity, forgiveness and mark that no Federal officer ever hait joving-kindness could be half so impres bound one, we were glad, having known sive, persuading to these excellencies, as General Torres well, and his father this hideous masquerade is, to make crubetter, to believe it. As it seems that city and savage revenge hateful and even he never issued such an order, we repulsive. They are profitable lessons, repeat that so Federal officer, arter some like the blunders of Statesmen, and the 2 400 or 2,800 full-blood Cherokees, and vices of republican Capitals, in an ina large number of full-blood Creeks and verse sense; and even the more impres-Seminoles had been regularly received sive because they are sincerely uttered,

the scalping.

We repeat that General Pike we strongly opposed to taking the fedings of the people of the fedings of the people of the fedings of the people of the fedings of the fedings

The Confederate Government and its Commissioner regarded the Indian Terportery se of Immense importance in the future, to the Confederate States, and sought to secure it by treaties with the tribes in possession of it.—It was not doubted that this action on the part of the Indians, making them parties to the was should should still consider the journal, we should should still consider the journal of the Indians, making them parties to the was wholly distinct from its Editors, and set with its action on the part of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the was should should still consider the journal of the Indians, making them parties to the observation of their country by Faderal troops, and it was on our grown of the Indians, making them parties to the was should should still consider the journal of their country by Faderal troops, and it was on our grown of the Indians of the more than the defence of the room of their country by Faderal troops, and it was on our grown of the Indians of the more than the imperialists.

The Confederate States, and substituted to the the said on the scaffold. All nations have saids on the scaffold. All nations have saids on the scaffold. There were no new features in the stage per value to the charge lad at the polity, to list well-enough alone, and for him. He is a man of distinguished for him. He is a man of distinguished for him. He is a man of distinguished for him particulars, whon we shall have reached that polity, to list well-enough alone, and for him. He is a man of distinguished for him. He is a man of distinguished for him particulars, w sonally, nor copy into the columns of the country. We accept all the responsibility of effecting that, and of enlisting in the Confederate service 5,500 Cherokers, Creeks, Seminoles, Choctaws and Chickasaws.

It was somewhat Pecksniffian in the United States, which had over and over again had bodies of Indians of all these tribes except the Seminoles, in its service, to pretend to be horrified at the employment of them to defend their own country. They were a far more humane other paper, to find which it had to go country. They were a far more humane other paper, to find which it had to go country. They were a far more humane of the many five passions cooled, have not hate and no write, retailing slanders or offensively inscient. It is particularly unimportant to us what may have been the previous opinions of one to whose arguments we have not compared about with a great cloud of witnesses; if their bells of victory were not drowned by their bells of victory were not drowned by their bells of victory were not affairs.

—The Harvard college students are subscribing to the aid of the Cretans.

—Illinois sent 155,287 head of live stock worse than a chastened, sorrowful indignation toward him. They would forget the dead; if they could forget the dead; if they could forget the dead; if they could forget the lead; if they were not compared about with a great cloud of witnesses; if their bells of victory were not drowned by their bells of victory were not drowned by their bells of mourning; if they could forget their country, if they could forget their country. They hear voices from other paper, to find the creations of the creations.

—The Harvard college students

Confederate States. I participated with the battle of perhaps a score, were taken at Pea Ridge. The Cherokee regiment of Col. Matie's regiment in the battle of that will do more for the stability of the Stick or Pea Ridge, and served with Gens. Cooper and Watte in the Indian Torthory, from the battle of Chusten-sal, and the other was not disposed to be acts of the Summer of 1864. During the latter part of the summer of the Southern Insians with most under the immediate command of Gen. Pike during the latter part of the action, and did not accompany him and the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn. They remained the troops of which he took command, that uight, to Eikhorn.
